# Testimonials

**Everyone made us feel so comfortable and appreciated.**

Thank you for being a part of our wedding. We could not have chosen a better place to get married. The Kenilworth Inn and Aliperti's Culinary Creations were very generous. Everyone made us feel so comfortable and appreciated. All of our guests were equally pleased. We are writing this just to let you know we appreciated everything the team did for us on our special day.

We can't thank you enough. All my dreams came true on that day. Me and my family look forward to celebrating many more special occasions at The Kenilworth Inn.

Sincerely, Kenneth and Amellia

**The "right" place!**

Just a little note to let you know everything was great, the food, the room and the service. We're glad we decided on the "right" place!

Thank you, Marianne

**Top quality from beginning to end! - Patti**

I am writing this letter to express my gratitude toward you and your staff. My wedding was the most spectacular day ever and to conclude it at The Kenilworth Inn was just the icing on the cake. Prior to August 9th, I think we can all agree that I was not stressed and much of that was due to Mike and taking care of any concerns (which were few). I loved how he help to accommodate my needs (i.e.- giving both salads, since I could make up my mind and having the chef prepare a specific meal so I can try it for my wedding). All of these things made my wedding memorable.

The evening was amazing! From the drop-dead scrumptious food during the cocktail hour to the comfortable feeling of both rooms we used. I must say the chicken quesadillas was amazing during the cocktail hour and the food that we chose for the buffet was fabulous!!!!!! The food was also hot and we got to keep the leftovers! I did not hear one complaint about the wedding, but I did hear people rave about how this was the best food they have had at a wedding! The room was just large enough for my party and I loved how it felt so intimate. My cousin who had her wedding at the Kenilworth Inn over 7 years ago, could not believe the changes that

Aliperti's made. Needless to say everyone loved the food and selection they had to pick from!

Lastly, I would like to comment on your staff. The people who worked at the event were so friendly and accommodating. I had a few conversation with some of them and they were just very down-to-earth. Also Joanne was terrific. She took such great care of Kenneth and I; from making sure we always had a drink to bringing extra quesadillas for us to eat, to helping me with my dress, to providing a basket for my cards. She was truly an asset to the night and her personality rocked! I even said I would love to work

**I will with 110% recommend any event by Aliperti's at The Kenilworth Inn.**

for her (the offer still stands).

I will with 110% recommend any event by Aliperti's at The Kenilworth Inn. And when I have my next event you will be the ones I call! Without a doubt, you guys and gals are amazing!

Greatly appreciative of your services, Sarah

PS. If you could share this with the people who made my night special, I would appreciate it.
